Disney Infinity finds gamers setting collectible plastic figurines on a special Infinity Base in order to play as popular Disney characters. In the Play Set mode, players pull pranks around campus with characters from Monsters University, go on swashbuckling adventures with the Pirates of the Caribbean, fight crime with The Incredibles, and tool around Radiator Springs with characters from Cars.

As you can see the set we are selling includes the pad, or portal, several figurines and the game itself. This is an awesome game!

The proceeds all go to support the ongoing ministry of Our Redeemer Lutheran Church in Wahoo, NE. If interested you can text me @ (260) 255-6016
